

Dear Participants,

We are pleased to inform, that there will be **the Young Scientist Competition** (for MSc or PhD students) for the best oral and poster presentation settled during the Conference. We invite all young scientists (age < 35), who are NOT yet graduated with PhD title, and who will present the results of their research (as authors or co-authors) in the form of oral or poster presentation given in English.

The Competition prizes are sponsored by:

- **European Membrane Society** – 1<sup>st</sup> award for the best oral and the best poster presentation,
- **Membranes an Open Access Journal by MDPI,**
- **Polish Membrane Society.**

Participants, who would like to compete in the Competition are asked to use the option for the Competition Registration available in The Registration Form.
